

Preparing an Effective Workforce for the Next Economic Downturn

Many economists and business analysts foresee that there will be a slowdown in economy growth and even an economic downturn in Year 2019. “How to develop such an effective workforce plan based on business needs and drive the implementation of relevant actions?” will become a big challenge for most HR professionals. Meanwhile, they may also face other side problems such as employee morale, retention of key talents & etc. during the downturn. Are there any strategies and tactics to deal with those challenges and prepare an effective workforce to drive the company’s performance? This practical and interactive training workshop is available now.

Target Audience

The workshop is designed for HR professionals, functional managers and business leaders who are responsible for driving team’s performance and organization’s results.

Course Objective

The purpose of this workshop aims at developing participants with the knowledge and skills to prepare effective workforce for the next economic downturn but engage employees to well perform continuously.
